

Earith Parish Council

Volunteering Policy

1. Introduction

Earith Parish Council enlists the help of volunteers to allow the council to develop its services to the local community. Volunteers will not be introduced to replace paid staff of the Parish Council.

2. Principles

Earith Parish Council

- Recognises that voluntary work brings benefits to volunteers themselves, to service users and to paid staff.
- Will ensure that volunteers skills and experiences are matched to the role they are undertaking
- Expects that staff at all levels will work positively with volunteers.
- Will ensure that volunteers receive appropriate training, support and equipment needed in order to carry out their role.
- Reimburse reasonable expenses incurred. These expenses must be authorised in advance with the Council and are payable against a valid receipt.
- Will endeavour to involve volunteers from a wide range of backgrounds and abilities.

3. Recruitment

Recruitment of volunteers will be from all sections of the community, and will be in line with Earith Parish Council's Equal Opportunities Policy. Acceptance of an offer to volunteer will be subject to suitability to carry out the required task.

4. Volunteer Agreements and Voluntary Work Outlines

Volunteers will receive a role description, identifying the skills and experience that are needed. This will include full information about their chosen area of work and offer a clear idea of their responsibilities. They will also receive a volunteer agreement.

Volunteers will be expected to:

- Maintain and uphold the good name and reputation of the council
- Treat all members, officers, service users and members of the public with respect and dignity.
- Adhere to all relevant council policies and procedures, including its Safeguarding policy.
- Maintain, where appropriate, current Disclosure and Barring Service certification.

5. Induction and Training

Volunteers will be offered appropriate training and support. This will be delivered by a suitably qualified Councillor or member of the Parish Council staff and include a tour of the area of activity, an explanation of the volunteer's role and a description of required essential procedures such as timekeeping.

6. Support

Volunteers will be assigned a named contact person, usually the relevant Lead Councillor, who will provide advice and guidance as needed. This support might involve regular meetings to discuss any issues that may have arisen.

7. The Volunteer's Voice

Volunteers will be consulted in decisions which affect them. Earith Parish Council is committed to developing consultation and representational procedures for volunteers.

8. Records

Any potential volunteer will be expected to complete a short, simple application form. This will request the name, address and contact details of the volunteer, a brief description of their experience and skills, details of the volunteer's current Disclosure and Barring Service status. Minimum details will be kept on volunteers. This will include the volunteer's placement details, crisis contact, correspondence and any other relevant information in accordance with Earith Parish Council's policies and procedures, most particularly with respect to data protection.

9. Expenses

Earith Parish Council will ensure that there is a clear and accessible system to enable volunteers to claim out of pocket expenses, subject to compliance with the Council's policies and procedures.

10. Insurance

Volunteers will be covered by insurance while carrying out agreed duties provided Council policy is adhered to. For this purpose advance notice of any activity to be carried out will be required, including the nature of the work, the time and date of the work and the name of volunteer. This will be supplied by the relevant Lead Councillor.

11. Health and Safety
